OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 28 February 1962

25X1 1. [] - JSW) After having made arrangements to meet with the Senate Armed Services Committee on 1 March, at the request of the Director I telephoned Senator Russell advising that the Director had had only 24 hours to study the Board report and felt that he must have more time to consider this. Consequently, we had to request that the meeting be put over. Arrangements were made to meet with the CIA Subcommittee of Senate Armed Services on Monday, 5 March, at 10:30 a.m. and to meet with the full Senate Armed Services Committee on Tuesday, 6 March, at 10:30 a.m. Senator Russell seemed a little disturbed at first particularly since he had cancelled other arrangements to make room for us on 1 March. However, he soon changed and appeared to appreciate the Director's problem.

25X1 2. [] - JSW) Similar discussion was held with Bob Smart in Mr. Vinson's absence and the 1 March meeting was put over until 9:00 a.m. on Monday, 5 March. However, there is another hearing scheduled at 10:00 a.m. so that the Agency will have only about one hour with the Subcommittee.

25X1 3. [] - JSW) Boyd Crawford of House Foreign Affairs and Carl Marcy of Senate Foreign Relations were then contacted and the meetings scheduled for the 2nd of March were then put over until 3:00 p.m. on Tuesday, 6 March for Senate Foreign Relations and 2:30 p.m. on the same day for House Foreign Affairs.

25X1 4. [] - JSW) Glyon Curtis telephoned asking if I could assist Mr. Goodwin, Deputy Assistant Secretary for Latin American Affairs. Apparently Mr. Goodwin is concerned whether certain members of Congress and Senators have been briefed on Agency operations in certain areas. Therefore, Mr. Goodwin had wished to discuss this matter with respect to specific members. A meeting was arranged for 12:30 on Friday, 2 March.

25X1 5. [] - GLC) The Director's office advised that Mr. McCone
25X1 had agreed to see [] at 11:00 A.M. this Saturday and that he
wants to have former ambassador Jacob Beam and [] present.

25X1 Later in the day, we were informed that Mr. Beam had agreed to
attend this meeting. I advised Senator Dodd's office that the meeting
with [] was firm for Saturday at 11:00 A.M. The Senator's
secretary indicated that Senator Dodd would be out of town on Saturday
but desired to have one of his staff members accompany []
and be present during her visit with Mr. McCone. I indicated that I could
see no objection to this.

25X1 8. ([] GLC) Mrs. Starke, in the office of Representative
25X1 Edgar W. Hiestand (R., Calif.), called and asked for information concerning
25X1 the work performance of [], a former employee who is being
considered for a position on the Representative's staff. After checking
with [] Personnel, I advised Mrs. Starke that [] had
been employed here only a short time and during that time had indicated
that she did not like the sensitive nature of the work here and resigned
after working with the Agency for only two months. However, this was
no reflection on her clerical skills. Mrs. Starke appreciated this
information.

25X1 9. [] - JGO) After meeting with [] 25X1
25X1 CI Staff, and ascertaining that the Agency has no current questions or
25X1 problems regarding [], a former Agency employee
who was Case Officer for [] I stopped by to see Mr. John
Newhouse, Consultant, Senate Foreign Relations Committee staff,
concerning his query to Mr. Warner on this individual. As Mr. Newhouse
was tied up for the remainder of the day in executive session, advised
his secretary that I would be by later in the week.

25X1 10. [] - JGO) Mr. Charles E. Johnson, Chief
Counsel, House Committee on Post Office and Civil Service, called to
advise that Chairman Tom Murray (D., Tenn.) had just introduced
H. R. 10480, the Administration's Federal employee pay proposal.
